ABOUT THIS PROJECT

The Florida Department of Transportation (FDOT) is holding a public hearing concerning proposed operational improvements to County Road (CR) 484 from West of SW 20th Avenue to East of CR 475A, in Marion County.

The purpose of the project is to improve safety and traffic flow. Improvements include additional turn lanes and turn lane extensions at both the CR 484/I-75 interchange and the CR 484/CR 475A intersection, reconstruction of the westbound through lanes, and modification of the existing I-75 bridge to accommodate the widening.

The project will also improve bicycle lane and pedestrian sidewalk connectivity through the project limits. Modifications to the existing median will be required for the roadway improvements.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator by phone at (386) 943-5367, or via email at Jennifer.Smith2@dot.state.fl.us. Persons with disabilities who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Sarah Van Gundy, Project Manager at least seven (7) days prior to the meeting. If you are hearing or speech impaired, please contact us by using the Florida Relay Service, 1-800-955-8771 (TDD) or 1-800-955-8770 (Voice).
