

Colonial Drive (S.R. 50) Safety Improvements from Pine Hills Road to Tampa Avenue

Orange County

Financial Project Identification (FPID) No.: 445694-1

Project Description

This Florida Department of Transportation (FDOT) project is intended to enhance safety and operations along Colonial Drive (State Road (S.R.) 50) between Pine Hills Road and Tampa Avenue by making changes to the existing median along the corridor.

The project proposes to close the existing median openings at 13 side streets or business driveways and create either directional or bi-directional median openings at 13 other side streets or driveways. These changes will restrict some left turn movements to and from Colonial Drive. The locations are listed in the graphic to the right.

Pedestrian safety enhancements are also planned, including upgrading pedestrian crossings at signalized intersections with new pedestrian signals and improved crosswalks.

Median Closure Locations	Directional Median Locations	Bi-directional Median Locations
Delhi Street	North Mission Road	USA Tire Outlet/Empire Tire
Montgomery Street	Orlando Chrysler Jeep Ram	BMX Lane/Clifton Street
Auto Sales of Central Florida	American Car Care Center	Kerry Drive
