

Northbound U.S. 1 Turnbull Creek Bridge Replacement

Volusia County

Financial Project Identification (FPID) No.: 447117-1

Project Description

The Florida Department of Transportation (FDOT) is proposing the replacement of the northbound U.S. 1 bridge over Turnbull Creek in southeastern Volusia County. This project is located just north of Scottsmoor and south of Oak Hill.

This project plans to replace the northbound bridge with a slightly higher and wider structure meeting current standards.

The new northbound bridge would match the southbound side, which was replaced in 2006.

The 12-foot-wide travel lanes will remain. The project also includes milling and resurfacing the bridge and the approaches as well as restriping.

Project Status and Estimated Costs*

Design:	Ongoing - completion late 2023	\$ 1 million
Right of Way:	Within existing	—
Construction:	Funded - early 2026	\$ 3.4 million

*subject to change
