The Florida Department of Transportation (FDOT) will hold a public meeting regarding project plans on the Truck and Freight Alternative Site Analysis Project Development and Environment (PD&E) Study in Volusia County on Thursday, June 30, 2022, at 5:30 p.m. Previous meetings were held in Osceola, Orange, Seminole, and Volusia Counties in the spring of 2022 to introduce the project and the proposed site locations being evaluated. The purpose of this round of public meetings is to present the preferred site alternatives for each county and receive community feedback. FDOT is offering multiple ways to participate in the live meeting.
