

S.R. 44 Maintenance Resurfacing

Canal Street from S.R. 44 to east of S.R. 44
and S.R. 44 from N. Riverside Drive to DeSoto Drive

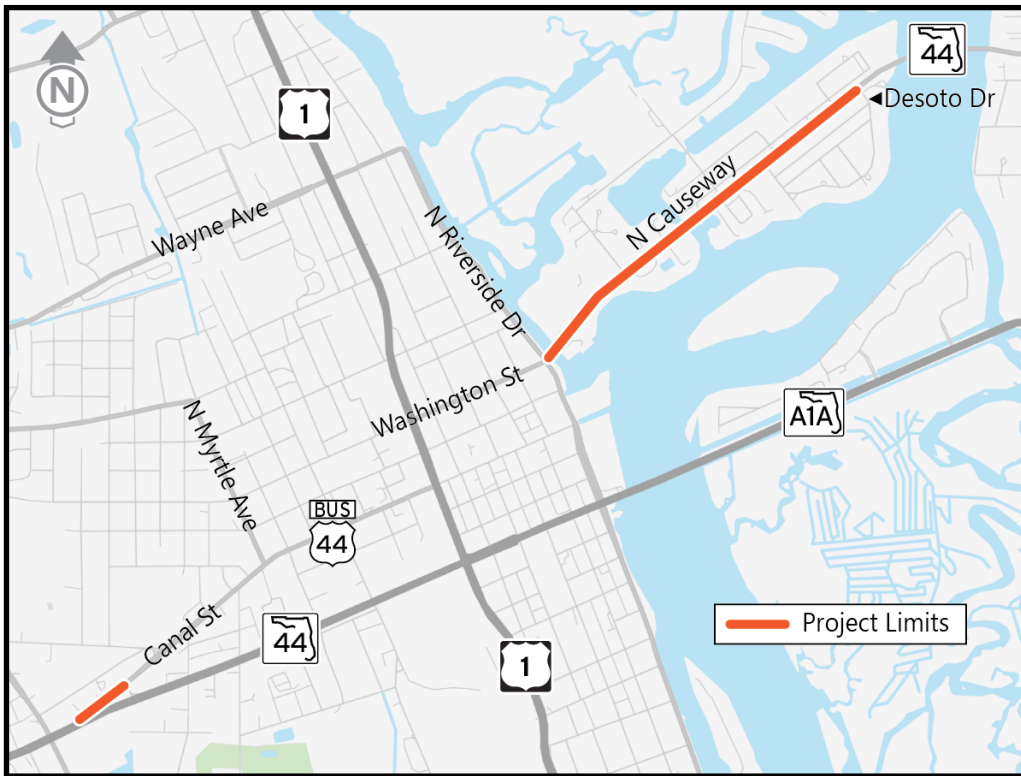

Volusia County

Financial Project Identification (FPID) No: 447086-1

Project Description

The Florida Department of Transportation (FDOT) plans to resurface two segments of State Road (S.R.) 44 in New Smyrna Beach. The first segment is on Canal Street (S.R. 44 Business Connector) from S.R. 44 to 0.142 miles east of S.R. 44. The second segment is from N. Riverside Drive to DeSoto Drive. The purpose of this project is to rehabilitate the pavement to extend the service life of the roadway.

The project also includes upgrades to pedestrian curb ramps as needed to comply with current Americans with Disabilities Act (ADA) standards, and signing and pavement marking improvements. During construction, motorists should expect intermittent nighttime, single lane closures.
