

# SAFETY IMPROVEMENTS

S.R. A1A from Crescent Beach Drive to the south of Minutemen Causeway

**Brevard County**

**Financial Project  
Identification  
(FPID) No.:**  
445867-1

## PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is enhancing pedestrian safety along State Road (S.R.) A1A from Crescent Beach Drive to south of Minutemen Causeway. In this area, S.R. A1A is split; northbound S.R. A1A is known as South Atlantic Avenue, and southbound S.R. A1A is known as South Orlando Avenue.

Safety upgrades are planned at six northbound and southbound pedestrian crossings. These crossings are located at South First Street, South Fourth Street, South Eighth Street, South 13th Street, South 16th Street, and 21st Street (Summer Street).

The improvements include 10 In-Roadway Warning Lights (IRWLs), two Pedestrian Hybrid Beacons (PHBs), and two raised crosswalks. In addition, pedestrian curb ramps will be reconstructed to meet current Americans with Disabilities Act (ADA) standards. As an added safety feature the speed limit throughout the corridor will be reduced from 35 mph to 30 mph. Please slow down and pay close attention to the new radar speed signs.

## WHAT TO EXPECT

Motorists should expect lane closures throughout construction. Electronic message boards and other signage will alert motorists of traffic changes. The level of work activity will vary throughout different construction phases, and the schedule may change due to weather conditions or other unforeseen circumstances. For the most current project details and lane closure information, please visit FDOT's Central Florida website at [www.cflroads.com](http://www.cflroads.com).

### CONTRACTOR

CARR Construction, LLC.

### PROJECT COST

\$3.9 Million

### PROJECT START

January 2024

### ESTIMATED COMPLETION

Early 2025
