

ROADWAY RESURFACING

S.R. 405 (Columbia Boulevard) from S.R. 50 to east of U.S. 1

Brevard County

**Financial Project
Identification
(FPID) No:**
448791-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is resurfacing State Road (S.R.) 405 (Columbia Boulevard) from S.R. 50 to east of U.S. 1 and S.R. 50 at the Interstate 95 (I-95) interchange to extend the life of the roadway.

Additionally, curb ramps throughout the corridor will be upgraded to meet current Americans with Disabilities Act (ADA) standards, and existing crosswalk striping will be enhanced.

WHAT TO EXPECT

During construction, motorists should expect intermittent daytime and nighttime lane closures. Motorists are advised to stay alert and drive cautiously through the work zone.

Electronic message boards and other signage will direct traffic through the area. The level of work activity and noise may vary during different construction phases. Please note that the construction schedule is subject to change due to inclement weather or other unforeseen conditions.

For the latest project updates and lane closure information, please visit FDOT's Central Florida website at www.cflroads.com.

CONTRACTOR

P&S Paving, Inc.

PROJECT COST

\$7 million

PROJECT START

February 2025

ESTIMATED COMPLETION

Summer 2025
